

FULL SPEED AHEAD

South Carolina is driving towards progress and picking up speed thanks to the resources made available by Act 40. It's been a remarkable year for the SCDOT as they continue to carry out their 10-year strategic plan to address infrastructure issues across the state. Join us for our 2018 Annual Meeting to learn more about the progress South Carolina has made, national trends, and hear from our sister states on how they are continuing to invest in infrastructure needs. We have picked up speed, but there's a long road ahead of us. Let's keep South Carolina moving forward – full speed ahead!
